SCHEDULED IMPORT OF AN XLSX FILE:

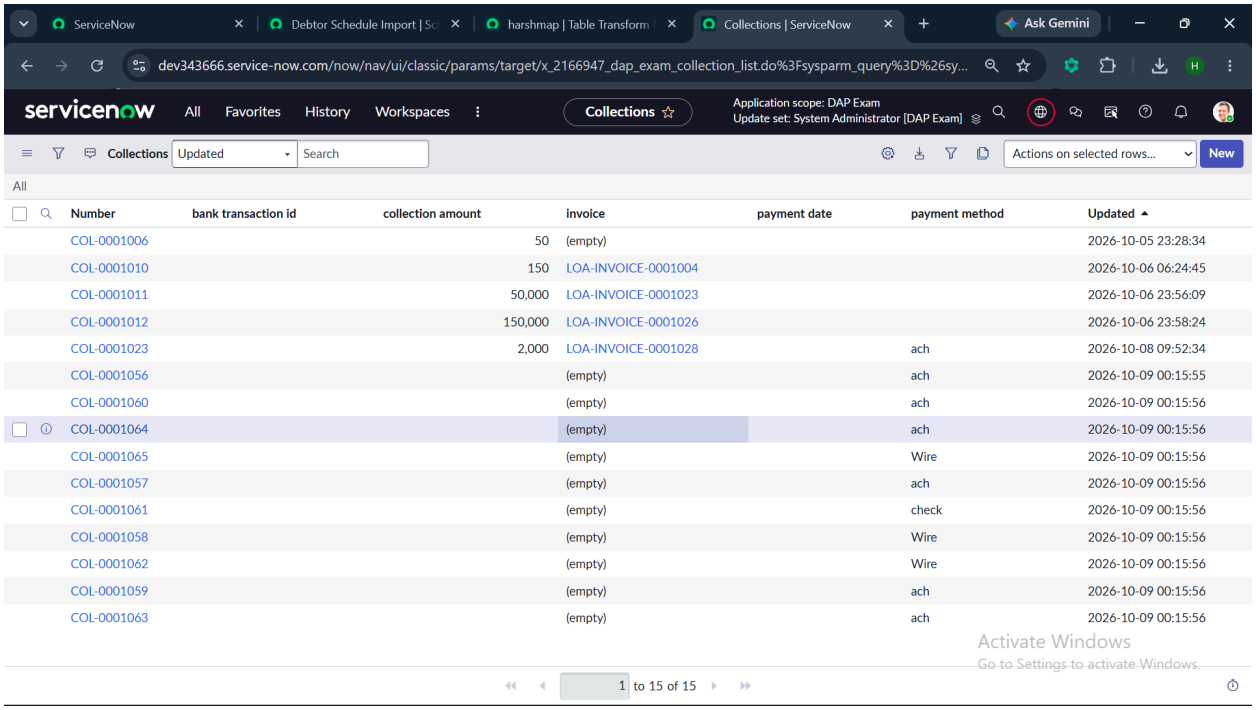

1. Load data krke ek new create karna (existing use mat karna), usme xlsx file daal dena.
2. Then uska transform map bnana :

3. Schedule import me jaake ek schedule import bnana an uske data source vali field me ye vala import set jo load data se kiya tha automatically aajayega. (alag se data source nhi banana hai isme, ye alag se data source only request action me banana hai).
